12 MONTHLY BLOGS APPEARING THE FIRST WEDNESDAY OF EACH MONTH IN H&HN DAILY

ICD-10-CM & ICD-10-PCS Coding Handbook

Informative content from an authoritative source — for beginners through experts.

• Authored by the publishers of the AHA Coding Clinic® and previous ICD-9-CM Handbooks
• Covers the latest official coding guidelines
• Provides an extensive overview of ICD-10
• Contains over 260 case-summary exercises and 100-plus in-chapter exercises and review questions

The ICD-10 Handbook is an invaluable, must-read resource for every coding professional.

To order, visit www.AHACentralOffice.com under products.

Audio Conferences and Webinars

Covering a wide range of ICD-10 topics to help your association, organization, ICD-10 Team or coding professionals in your healthcare efforts.

• Preparing Your Organization for a Successful Implementation to ICD-10-CM and ICD-10-PCS
• Preparing for a Successful ICD-10 Transition
• Preparing the Clinical Team for a Successful Implementation of ICD-10
• Preparing the Finance Team for a Successful Implementation of ICD-10
• Preparing the Coding Team for a Successful Implementation of ICD-10

For more information on upcoming or recorded events, visit www.AHACentralOffice.com under audio conferences.

Expert Speakers

Bring a wealth of ICD-10 knowledge to your team, organization or event. We engage knowledge experts specializing in a wide range of areas, including ICD-10.

Expert Speakers

Nelly Leon-Chisen, RHIA
• Director of Coding and Classification at the American Hospital Association
• Lectured extensively on coding, DRG, admission and data quality issues
• Testified on behalf of the American Hospital Association at numerous NCVHS hearings on ICD-10-CM and ICD-10-PCS
• Speaker for popular AHA Coding Clinic Audio Conference Series
• AHIMA-certified ICD-10 Trainer

Experience the convenience of having expert coding education brought directly to you. Visit www.AHACentralOffice.com under speaking engagements for more information.
